Dear Salers Breeders,

On behalf of the Kentucky Salers Association we would like to welcome you to the 2010 Kentucky Beef Expo Salers Show and Sale. The quality of the consignments will certainly speak well for the Salers cattle.

We would like to encourage you to come to Louisville, view the cattle, meet the breeders and purchase cattle that will work for your beef program.

Included in the offerings are potential herd bulls, show heifers and bred heifers.

This event is managed by the Kentucky Salers Association. We encourage you to join us in making this a successful event.

You may view the auction at [www.edgecast.com](http://www.edgecast.com)

Sincerely,  
Donald Johnson

Dear friends,

Welcome to the 24th annual Kentucky Farm Bureau Beef Expo. The partnership of the Kentucky Department of Agriculture and Kentucky Farm Bureau makes the Beef Expo one of the most successful beef cattle events in the United States.

Hundreds of purebred, top-quality cattle from some of the best genetics in the nation will compete for more than \$100,000 in premiums. For the commercial operator, the popular pen heifer show and sale returns. Last year, cattle from 17 states sold for top dollar in the sale ring. I expect another strong showing this year.

On Sunday, more than 500 young people will compete for premiums, prizes and awards in the junior heifer, steer and market heifer shows. Many of the youth will test their skills in the annual judging contest. Competitions such as these help teach our young people values such as hard work and discipline that will carry over into their adult lives.

The Kentucky Department of Agriculture is an important part of the Beef Expo's success. KDA employees work the shows, sales and judging contests. I am pleased that the Department helps make this show possible.

While you're in Louisville, look for Kentucky Proud products for your dining and shopping enjoyment. Kentucky Proud is the Commonwealth's official farm marketing program. More than 1,800 producers, processors, retailers, restaurants, state parks and Kentucky Farm Bureau roadside markets are members of Kentucky Proud. When you try Kentucky Proud, you'll find out that nothing else is close.

I hope you have a successful Beef Expo and a pleasant stay in Louisville.

Sincerely,

RICHIE FARMER  
Commissioner of Agriculture  
Commonwealth of Kentucky

- This bull is packed with high performance EPD's. He is a super docile, friendly bull with lots of guts and a nice hindquarter. He has an 80lb birth weight. He could be used on heifers, but is substantial enough in birth weight to be put on cows. His MWW number makes him a good candidate to keep heifers out of. His mother is a first calf heifer that has good maternal instincts and a docile personality. Our bull calves are not put on creep feed or supplemented while on the cow, except for salt and mineral, so that we can get an accurate read on how well the cow will do with the conditions that it is dealt. His ADG on the cow was 2.37lbs.

• This is the one and only heifer that I did not want to sell. She is double bred to VLF Raffy X37Z on her maternal side and her sire, JGK Saw Buck 578P, who was our main herd sire for a few years, and has produced the most high quality show heifers for us. This heifer has a good depth of body and is easy flushing. She is a clean fronted and feminine. She is straight backed with a wide top and sports a nice hind quarter. This is a steal out of the heart of my program.

### TERMS & CONDITIONS

1. BIDDING: Each animal will be sold to the highest bidder with out reserve.
2. BIDDING DISPUTES: The auctioneer in charge will settle, and his decision on such matters shall be final.
3. TERMS: Terms of this sale are cash, unless prior arrangements have been made with the management. No animals will be permitted to be removed from the premises until settlement is made.
4. PURCHASE RISK: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for after the sale without cost to the purchaser for a reasonable and customary period of time, but at the purchaser's risk as to loss or injury, and will be loaded according to the purchaser's direction without cost to him.
5. CATALOG CHANGES: Any changes from the information printed in this catalog will be announced from the auction block at the time the animal is sold and such announcements shall take precedence.
6. CERTIFICATE OF REGISTRY: A certificate of registry will be furnished for each animal sold, except as noted in this catalog. The cost of transferring ownership will be paid by the seller.
7. MANAGEMENT: The management acts only as agent for the seller and does not assume any liability, legal or otherwise, for the animals' health or future useful ness. All adjustments, if any, must be made between the purchaser and seller.
8. LIABILITY: All persons who attend the sale do so at their own risk and the management assumes no liability, legal or otherwise, for the safety or behavior of the animals.
9. GUARANTEES: All animals sold in this sale are guaranteed to be breeder, proved they are properly handled and cared for. If any animal fails to breed, the seller must be notified within 5 months of the date of sale. If the animal is in a sound healthy condition, the buyer may return it to the seller, who shall have 6 months to test it. If the animal proves to be a non-breeder, a satisfactory exchange will be made or the purchase price refunded (customary regulated rules). Guarantee does not apply to injured or sick animals.
10. HEALTH: All cattle in this sale are in excellent condition and health. Where needed health certificates will be furnished for shipment anywhere.

Executive Vice President

Welcome to the 2010 Kentucky Farm Bureau Beef Expo and Sales Show and Sale. We are very proud to serve as the corporate sponsor of the expo.

With over 480,000 members, Kentucky Farm Bureau is actively involved in ensuring that Kentucky agriculture remains a strong and vital element of our Commonwealth's economy.

Beef cattle are an integral part of Kentucky agriculture. We applaud the efforts of those who work so diligently to improve an industry already known for its excellence, through events such as the 2010 Kentucky Farm Bureau Beef Expo.

Considering ever-increasing consumer demand for high-quality and safe food, efforts to improve Kentucky's beef cattle industry are now more important than ever. The Expo offers you the latest industry news and information, along with the opportunity to obtain some of the best breeding stock in the United States.

Again we welcome you to the 2010 Kentucky Farm Bureau Beef Expo, and hope the many valuable resources available here will benefit both you and your cattle operation.

Sincerely,

Mark Haney  
President
