Friends,

Welcome to the 24th annual Kentucky Farm Bureau Beef Expo. The partnership of the Kentucky Department of Agriculture and Kentucky Farm Bureau makes the Beef Expo one of the most successful beef cattle events in the United States.

Hundreds of purebred, top-quality cattle from some of the best genetics in the nation will compete for more than \$100,000 in premiums. For the commercial operator, the popular pen heifer show and sale returns. Last year, cattle from 17 states sold for top dollar in the sale ring. I expect another strong showing this year.

On Sunday, more than 500 young people will compete for premiums, prizes and awards in the junior heifer, steer and market heifer shows. Many of the youth will test their skills in the annual judging contest. Competitions such as these help teach our young people values such as hard work and discipline that will carry over into their adult lives.

The Kentucky Department of Agriculture is an important part of the Beef Expo's success. KDA employees work the shows, sales and judging contests. I am pleased that the Department helps make this show possible.

While you're in Louisville, look for Kentucky Proud products for your dining and shopping enjoyment. Kentucky Proud is the Commonwealth's official farm marketing program. More than 1,800 producers, processors, retailers, restaurants, state parks and Kentucky Farm Bureau roadside markets are members of Kentucky Proud. When you try Kentucky Proud, you'll find out that nothing else is close.

I hope you have a successful Beef Expo and a pleasant stay in Louisville.

Sincerely,

Richie Farmer, Commissioner
Kentucky Department of Agriculture

Welcome to the 2010 Kentucky Farm Bureau Beef Expo and Shorthorn Show and Sale. We are very proud to serve as the corporate sponsor of the expo.

With over 480,000 members, Kentucky Farm Bureau is actively involved in ensuring that Kentucky agriculture remains a strong and vital element of our Commonwealth's economy.

Beef cattle are an integral part of Kentucky agriculture. We applaud the efforts of those who work so diligently to improve an industry already known for its excellence, through events such as the 2010 Kentucky Farm Bureau Beef Expo.

Considering the ever-increasing consumer demand for high-quality and safe food, efforts to improve Kentucky's beef cattle industry are now more important than ever. The Expo offers you the latest industry news and information, along with the opportunity to obtain some of the best breeding stock in the United States.

Again, we welcome you to the 2010 Kentucky Farm Bureau Beef Expo, and hope the many valuable resources available here will benefit both you and your cattle operation.

Sincerely,

Mark Haney, president

Augusta Pride 132 is our first natural calf out of our donor female, WL Augusta Pride 113 and we weren't disappointed. She is deep bodied, big topped and has all the right stuff to be that good show heifer with the right pedigree to go along with it. BW: 80 lbs. CHV.

Here is a really nice heifer that has a pedigree that is second to none. This heifer will have plenty of size to go along with her depth of body and sound structure. She will be fun to show for two years and then she will make a valuable addition to your cow herd. This one should be staying here, but as neither one of our families are showing in the junior shows anymore, we decided to let someone else have all the fun. We didn't get a good picture due to the weather, so we are showing you what her dam looks like instead. Sire and dam are tested TH/PHA Free.

Here is an outstanding fall heifer. If you are looking for a heifer that will make you a terrific show heifer for two years then go on and make a good cow, this is the one. She has a lot of top, rib shape and natural thickness with a good set of legs under her. I'm really excited about the potential that these calves by the Chief bull have. Besides being great looking phenotypically, she has a good pedigree to back her up. TH/PHA Free by pedigree.
